CRIBDEPO

Innovative and reliable automatic machine for controlling the return of dirty and used products.

CRIBDEPO is a modern and **self-service automatic machine** enabling the **registration of returned products** for disposal or reuse (washing of dirty clothes). The drop-off takes place in an **intuitive manner** by inserting the products into an automatically opening loading chamber, which then fall into a mobile basket. **A vision system and optical sensors** enable full recording of returned products. The vending machine is a **SLAVE** device that works with all **CRIBSPOT®** solutions in the **MASTER** version.

KEY FEATURES

- 24/7 access.
- Full control of **waste management**.
- An **environmentally friendly** solution.
- **Storage** of used and dirty products.
- **Full records of products**, e.g. work clothes.
- **Mobile** laundry basket.
- **Guarantee of control** of returned products.
- **Option to force the return** of the old product in order to download the new one.
- **Monitoring** of vending machine occupancy

TECHNICAL SPECIFICATIONS

Height [mm]	2 000
Width [mm]	890
Depth [mm]	1000
Voltage [V]	230 VAC - 50 Hz
Power usage [W]	5/80
Max. drum load [kg]	300
Weight [kg]	135

SAMPLE CONFIGURATION

IRSYSTEM APPLICATION

For each machine we offer proprietary **IRSYSTEM software** tailored to individual customer needs, which opens up **unlimited possibilities for remote process management**. **IRSYSTEM** enables **data migration** and fast communication between the server and machine.

- possibility of **integration** with systems such as ERP, GERP, SAP, etc.
- automatic **generation of reports** and orders
- real-time **preview of available stock levels** inside the machine
- management of employee **access authorisation** to the machine
