# CRIBDRAWER

Innovative **Multifunctional Vending Machine**, adapted to the management of a large number of commodity indexes.

**CRIBDRAWER** is a **modern, self-service** vending machine for product distribution. The design, based on a drawer system, offers the possibility of storage of up to **1,792 unique items of different sizes**. Ease of operation is provided by **21" touch screen** with modern and intuitive interface. **Two product loading options** enable even faster and simpler filling the machine. The **CRIBDRAWER** has a built-in **RFID reader, barcode and QR code scanner** which supports the **product return function**.

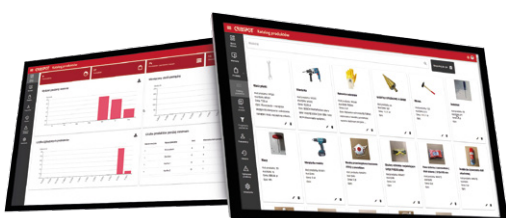

## KEY FEATURES

- **24/7 access.**
- **Drop in** the consumption of products by **up to 50%**.
- Extensive **product returns** function.
- **Very large capacity**, 1792 lockers in the machine.
- **2 types of drawers** within one machine.
- **Multiple configurations** available.
- **21" touch screen** with modern and intuitive interface.
- **Configuration** as required.
- Built-in **RFID reader, barcode and QR code scanner**.
- **Monitoring of current status** via the **IRSYSTEM** web application.
- **Modularity** allows to combine devices into **sets**.

## IRSYSTEM APPLICATION

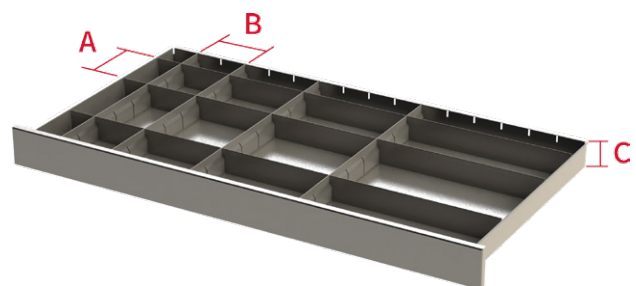

For each machine we offer proprietary **IRSYSTEM software** tailored to individual customer needs, which opens up **unlimited possibilities for remote process management**. **IRSYSTEM** enables **data migration** and fast communication between the server and machine.

- possibility of **integration** with systems such as ERP, GERP, SAP, etc.
- automatic **generation of reports** and orders
- real-time **preview of available stock levels** inside the machine
- management of employee **access authorisation** to the machine

## TECHNICAL SPECIFICATIONS

Height [mm]	1795
Width [mm]	980
Depth [mm]	600
Voltage [V]	230 VAC – 50 Hz
Power usage [W]	5/80
Max. drawer load [kg]	100
Weight [kg]	250
Temp. [°C]	from 5 to 70

## LOCKER CONFIGURATIONS IN THE DRAWER

NUMBER OF COMPARTMENTS	A HEIGHT [MM]	B WIDTH [MM]	C DENSITY [MM]
