# CRIBSTOCK 945

Innovative and reliable **Multifunctional Vending Machine**, compliant with the concept of industry 4.0.

**CRIBSTOCK 945** is a modern and **self-service** vending machine used for product distribution. The rotating, sturdy drum gives you the ability to storage **up to 945 unique items**. Ease of operation is provided by **21" touch screen** with modern and intuitive interface. **Four product loading options** enable even faster and simpler filling the machine. The **CRIBSTOCK 945** has a built-in **RFID reader, barcode** and **QR code scanner**.

## KEY FEATURES

- 24/7 access.
- Drop in the consumption of products by **up to 50%**.
- Large capacity, **up to 945 compartments** in the machine.
- **4 options for loading products** into the machine.
- **21" touch screen** with modern and intuitive interface.
- **9 configurations** for height and width of compartments.
- Built-in **RFID reader, barcode and QR code scanner**.
- **Monitoring of current status** via the **IRSYSTEM** web application.
- **Modularity** allows to combine devices into sets.

## IRSYSTEM APPLICATION

For each machine we offer proprietary **IRSYSTEM software** tailored to individual customer needs, which opens up **unlimited possibilities for remote process management**. **IRSYSTEM** enables **data migration** and fast communication between the server and machine.

- possibility of **integration** with systems such as ERP, GERP, SAP, etc.
- automatic **generation of reports** and orders
- real-time **preview of available stock levels** inside the machine
- management of employee **access authorisation** to the machine
